Terms and Conditions

32. Matters subject to terms and conditions

For the purpose of subsection 12(6) of the Act, the Council may impose terms and conditions on the registration of an applicant respecting matters including

- (a) supervision of practice;
- (b) specifying or limiting areas or disciplines of practice;
- (c) specifying or limiting practice settings or programs; and
- (d) completion of training or examinations. (EC843/21)

Supervisors

33. Qualifications of supervisor

- (1) The Council may designate a medical practitioner as a supervisor for the purpose of Parts 2 and 3 if the medical practitioner
- (a) is not subject to supervision in practising medicine;
 - (b) is not subject to restrictions or limitations imposed by Council on the medical practitioner's registration;
 - (c) actively practises medicine in the same or a similar area or discipline as the person to be supervised;
 - (d) is in good standing with the College and is not the subject of an active complaint;

- (e) is not, in the Council’s opinion, unsuitable to act as a supervisor because the medical practitioner
 - (i) has been the subject of a finding of professional misconduct or incompetence in this or another jurisdiction,
 - (ii) has been the subject of a judgment in negligence in this or another jurisdiction, or
 - (iii) has been found guilty of an offence.

Duty of supervisor

- (2) A supervisor shall oversee the practice of the supervised medical practitioner to ensure that the medical practitioner meets the expected standard of care and conduct and patient safety is not compromised.

Report to Council

- (3) A supervisor shall report to the Council in respect of the supervision in the time and manner required by the Council.

Revocation of designation

- (4) The designation of a supervisor is revoked if the supervisor ceases to meet the qualifications under subsection (1).

Notice of revocation

- (5) The registrar shall promptly notify the supervisor and the supervised medical practitioner of the revocation of the supervisor’s designation. (EC843/21)

Professional Misconduct**34. Conduct that constitutes professional misconduct**

- (1) Pursuant to clause 57(1)(e) of the Act, in addition to the matters set out in subsection 57(1) of the Act, professional misconduct by a member includes
 - (a) failing to advise a patient that the member’s moral or religious convictions prevent the provision of medical treatment that may be appropriate for the patient and of the consequences of not receiving the medical treatment;
 - (b) making a claim respecting the utility of a remedy, treatment, device, or procedure that cannot be supported as a reasonable professional medical opinion;
 - (c) prescribing, administering or assisting any person in the use of any drugs or therapy in a manner that is not consistent with generally accepted professional standards and procedures in the practice of medicine, unless in the context of a research protocol approved by a research ethics committee acceptable to the Council;
 - (d) failing to reveal the exact nature of a remedy or treatment following the lawful request for such information;
 - (e) prescribing, selling, administering, distributing, ordering or giving any drug that is classified as a controlled substance under the *Controlled Drugs and Substances Act* (Canada) or recognized as addictive or dangerous, to a family member or oneself;
 - (f) treating oneself, a family member or any person with whom the member has a close relationship that may render the member unable to exercise objective professional judgment in reaching diagnostic or therapeutic decisions;

- (g) failing to comply with the terms of any agreement made with the Council relating to the practice of medicine or with any undertaking given to the Council;
- (h) failing to respond appropriately or within a reasonable time to a written inquiry relating to the member's practice of medicine from the registrar, the Council, an investigator, an investigation committee or a hearing committee;
- (i) failure to report to the Council the commencement of any legal proceedings against the member, any action taken against the member by any professional regulatory body, health care institution, professional association, government body, law enforcement agency, or a decision or judgment in respect of the member by any court, for any act or conduct which could constitute professional misconduct under the Act or these regulations, or for any act or conduct that could lead to a finding under the Act that the member is unfit to engage in the practice of medicine;
- (j) permitting, counselling or assisting any person who is not a member or medical corporation to engage in the practice of medicine unless the member has, in the opinion of Council, reasonable justification;
- (k) improperly prescribing, selling or dispensing a drug or a medical product;
- (l) abusing a patient verbally, physically, or sexually;
- (m) engaging in the practice of medicine in another jurisdiction without being authorized to do so by the professional regulatory body regulating the practice of medicine in that jurisdiction unless the member has, in the opinion of the Council, reasonable justification;
- (n) providing a professional medical service without the consent of the patient if consent is required by law;
- (o) conduct leading to the restriction, suspension or cancellation of the member's rights or privileges under the *Food and Drugs Act* (Canada) or its regulations;
- (p) requesting that a patient or any other person release, exempt, or otherwise limit the member's liability resulting from professional negligence or error;
- (q) failing to maintain the records and accounts that are required by the College to be kept by members with respect to their practice;
- (r) charging or accepting any fee that is not fully disclosed, fair and reasonable;
- (s) charging or accepting a fee for an undertaking to be available to provide insured services to a specific patient;
- (t) refusing to render a medically necessary emergency service unless payment of whole or part of the fee is received in advance of the service being rendered;
- (u) charging or accepting a fee for services not performed, other than for the cancellation of an appointment not within a reasonable time before the appointment according to a written policy of the member, if the patient has received prior notification of the policy, and a method is available for patients to notify the member of cancellations;
- (v) failing to issue a statement or receipt on the request of a patient or a person on behalf of the patient;
- (w) signing or issuing in the member's professional capacity a document which the member knows or ought to know is false or misleading;
- (x) paying fees to or conferring a benefit on, or requesting or accepting a fee, rebate, commission or other benefit from, a person in respect of the referral of a patient;
- (y) failing to provide to a patient, without reasonable excuse, a report, certificate or record relating to an examination or treatment performed by the member;

- (z) engaging in conduct or an act relevant to the practice of medicine that, having regard to all the circumstances, would reasonably be regarded by medical practitioners as disgraceful, dishonourable or unprofessional;
- (aa) failing to cooperate with the College, the Council and their committees, officers or employees;
- (bb) failing to provide information as reasonably required by the Council.

Family member, defined

- (2) For the purpose of clauses (1)(e) and (f), “family member” in respect of a member means
 - (a) a spouse, common-law spouse, child, parent, grandparent, grandchild, sibling, uncle, aunt, nephew or niece of the member, whether by blood or marriage; and
 - (b) any relative of the member who resides with the member.

Sexual abuse, defined

- (3) For the purpose of clause (1)(l) “sexual abuse” means any sort of sexual conduct by a member toward or with a patient, whether by
 - (a) a remark, gesture or other behaviour of a sexual nature toward the patient, or by subjecting the patient to a position or state of undress, which appears intended to be erotic, seductive or demeaning;
 - (b) touching in a sexual manner; or
 - (c) violating behaviour, namely sexual intercourse, other physical sexual relations including genital to genital, genital to anal, oral to genital, or oral to anal contact, masturbation by or of either party or encouragement of the patient to masturbate in the presence of the member.

Exception

- (4) Notwithstanding subsection (3), sexual conduct by a member toward or with a patient is not sexual abuse where
 - (a) the member has provided a medical service in circumstances of urgency or necessity to a person who is not normally a patient of the member and who has an already established sexual relationship with the member; or
 - (b) the doctor-patient relationship has been formally terminated and there is no expectation that any further medical care will be provided by the member to the other person.

Exception does not apply

- (5) Notwithstanding clause (4)(b), sexual conduct toward or with a former patient
 - (a) is sexual abuse when the former patient was, while receiving medical care from the member, or is currently, a minor; or
 - (b) may be found to be sexual abuse where the former patient
 - (i) was, while receiving medical care from the member, or is currently, suffering from a judgment impairing disorder, or
 - (ii) received psychotherapy or psychiatric counselling from the member.
(EC843/21)

Advertising and Promotion

35. Restrictions on advertising and promotion

- (1) A medical practitioner shall not, when publishing or communicating any information about the medical practitioner's practice of medicine or qualifications, whether orally, in print or through electronic media,
- (a) make statements that are unprofessional, false, misleading or deceptive in any way;
 - (b) promote or offer incentives for the use of the medical practitioner's services;
 - (c) compare the medical practitioner's skill with other medical practitioners so as to imply supremacy of skill or quality of services;
 - (d) refer to specific drugs, appliances or equipment;
 - (e) include associations between the medical practitioner and any company or product, unless the product is closely identified with a procedure performed by the medical practitioner and the association with the product is reasonable for the purposes of adequately informing the public;
 - (f) make endorsements; or
 - (g) contravene the Canadian Medical Association Code of Ethics and Professionalism.

Permitted advertising and promotion

- (2) A medical practitioner may publish or communicate information that includes the medical practitioner's
- (a) name and contact information;
 - (b) office address and information respecting accessibility;
 - (c) academic degrees;
 - (d) specialty as recognized by the College;
 - (e) areas of practice or special interest; and
 - (f) languages spoken. (EC843/21)

Medical Corporations

36. Name of corporation

- (1) For the purpose of clause 15(2)(d) of the Act, the name of a corporation applying for a permit to carry on the business of providing the professional services of a medical practitioner, and any business name or partnership name under which the corporation carries on that business,
- (a) shall be, in the opinion of the registrar, in good taste, dignified and professional;
 - (b) shall contain
 - (i) the words "medical corporation", and
 - (ii) the name of one or more medical practitioners whose professional services are delivered through the corporation, or other words indicating that the corporation is providing the professional services of a medical practitioner;
 - (c) shall not
 - (i) be inaccurate or misleading,
 - (ii) express or imply superiority of qualifications, experience or education over that of other medical practitioners, or
 - (iii) otherwise tend to bring the medical profession into disrepute.

Transitional

- (2) Notwithstanding subclause (1)(b)(i), the name of a medical corporation that, immediately before the day these regulations come into force, is registered under section 21 of the former Act in the Corporations Register and holds a licence under the former Act may contain the words “professional corporation” instead of “medical corporation”.

Change of name

- (3) Before changing its name, a medical corporation shall obtain written confirmation from the registrar that the proposed name meets the requirements of subsection (1). *(EC843/21)*

37. Duty of medical corporation

- (1) A medical corporation shall ensure that all communications with the public on behalf of the medical corporation identify the medical practitioners whose professional services are delivered through the corporation.

Duty of partnership including medical corporation

- (2) A member of a general partnership of medical corporations or of medical corporations and medical practitioners shall ensure that all communications with the public on behalf of the partnership
 - (a) indicate that one or more of the partners is a medical corporation; and
 - (b) identify the medical practitioners whose professional services are delivered through the corporation. *(EC843/21)*

38. Transition of members
